

Job Title: General Labourer

Location: Various locations throughout Western Canada, including Kamloops, British Columbia

Closing Date: October 30, 2009

Occupational Summary:

The General Labourer is responsible for ensuring that his/her designated area in the plant or on site remains clean at all times, and to assist tradesmen and production workers on site to carry out work on new manufactured and renovated buildings. This position is an active and all-encompassing one, so applicants should be able to safely and comfortably carry out physically involved activities. This is a safety sensitive position, and as such requires pre-employment and pre-access drug and alcohol testing.

Experience/ Qualifications Required:

Work requires an education background normally equivalent to high school with some knowledge of the construction/ manufacturing industry. The successful candidate will demonstrate organizational, time-management and decision-making skills. This individual must be able to manage a fluctuating workload and set priorities to meet deadlines. The ability to work independently and as a team member is essential. This position is an active and all-encompassing one, so applicants should be able to safely and comfortably carry out physically involved activities.
