Products

Northern Trailer provides building solutions ranging from single unit offices and first aid spaces to 2,500-person workforce facilities – and we have an extensive inventory of buildings that are always in stock. If a stock item does not meet your needs, we can modify an existing unit or design and customize a unit to suit your specific requirements.

Services

Northern Trailer has portable building inventory in several locations across Western Canada ensuring our products and services are accessible to you, no matter where your business takes you. We have the know-how and experience to get your buildings to where they need to be, safely and on schedule. On site management and maintenance by experienced trades are all part of our commitment to client satisfaction.
